Total FM Stations –14

As shown there are 5 AM stations and 14 FM stations with city grade signals in the Overlap market areas. Consolidated Media would be in control of two AM stations and 1 FM station in the overlap areas. The number of stations indicated falls in the 14 or fewer commercial radio station tier of #73.3555(a)(1)(iv) of the Commission's Rules. At this level, common ownership or control of up to four commercial stations, with no more than three in the same service, is permissible, providing the entity will not control more than 50% of the stations in the market. Therefore, Consolidated Media is in compliance in the market areas.
